## Meet Donna and Toni-Ann... here to support you on your cancer journey

**Receiving a cancer diagnosis and undertaking treatment can be a difficult and overwhelming path for both individuals and their whānau.**

Tui Ora's free Cancer Community Nursing and Kaiārahi Service can support you and your family every step of the way.

Both Toni-Ann and Donna have more than 30 years of experience and a passion for working with those dealing with cancer.

The service covers the Taranaki region from Patea, across to Ōpunake, and as far North as Waiiti, and we will visit you in your home or wherever you feel most comfortable.

You do not need to be registered as a patient at Tui Ora to access this service. You can be referred by your GP or specialist, or you can contact us yourself, by calling **0800 TUI ORA (884 672)** or emailing [intake@tuiora.co.nz](mailto:intake@tuiora.co.nz)

We can help with:

- Understanding medical information
- A safe space to talk through treatment options and decisions
- Finding ways to improve quality of life
- Navigation of other services and organisations who can help
- Transport to appointments
- Liaising with GPs, specialists and other health professionals

Anyone accessing Tui Ora services is protected by the Health and Disability Services Code of Rights - for more information go to [tuiora.co.nz/what-to-expect/your-rights](https://tuiora.co.nz/what-to-expect/your-rights)
